The Harbourside

ISLES OF SCILLY

The Harbourside, as our name suggests, is situated on St. Mary's quay with uninterrupted views overlooking the harbour. Our Position is Unique. Only two minutes away from the restaurants, pubs and local shops. And less than a stones throw away from where the local boats depart to visit all of the other islands.

With only twelve bedrooms we are a small family run establishment that offers a high level of personal care and attention but still large enough to offer a high standard of accommodation with professional and friendly service at all times.

Our harbour rooms offer superb views of the water and boats literally just feet from your window. Our standard rooms all face west catching the evening light with brief glimpses of the sea over the working area of the quay. All our bedrooms are well appointed with ensuite shower/wc rooms, TV, hairdryer and hot drink making facilities.

We have a spacious lounge area, which is perfect to relax with a drink, a book or socialise with the other guests at the end of a busy day exploring the islands.

Start your day with a full hearty breakfast in our spacious, airy dining room watching the boats in the harbour. We are happy to cater for any specific dietary requirements and can also provide a picnic lunch for your day out. St. Mary's has a growing number of excellent places to eat, many of which are just a few minutes walk from our door. We are only too happy to advise or make reservations for you at any of these establishments.

Our aim is to provide a friendly and relaxed atmosphere with a great position for you to enjoy a carefree holiday on our beautiful islands. Passionate about Scilly ourselves we will endeavour to help you see the best that Scilly has to offer.

The Harbourside now works in conjunction with The Sailing Centre on Porthmellon beach. Residential courses are available. The centre offers full RYA courses in sailing, windsurfing and powerboating catering for all abilities from novices to advanced. We have a large range of dinghies and dayboats perfect for exploring the islands at your own pace or take one of our experienced helms to escort you around the islands.

Wetsuits snorkelling gear and kayaks also available to hire.
