Established for over 40 years we are the only licensed activity provider (AALA) on the islands. We are an RYA & BSUPA affiliated centre, & the only water sports provider who is inspected annually to ensure we operate safely.

We offer high quality, safe, fun tuition & activities at all levels. Whatever your age or ability from taster sessions to full certified courses we have something to offer, be it tuition or just hires. Our main base is on St. Mary's and with a site on Tresco we offer instruction, hire and sales throughout the islands.
